

## **Interview opportunity - Hollywood (and 'Home & Away') Actress Jaala Pickering**

Jaala, from USA TV hit series True Blood, now set to star in Resurgam: the Lost Pearl of Plymouth

[cid:]

International movie actress Jaala Pickering is to star in an innovative new interactive game played using mobile phone technology.

Jaala, who also starred in Xbox gaming hit 'Halo 4', is no stranger to the world of interactive gaming and has also been seen in TV series 'True Blood' and popular Australian series 'Home and Away'.

Her new role will see her take the part of Cara Jones, a lecturer in Marine Science and world-expert on the legend of the Pearl of Plymouth. Cara's challenge is to find the pearl using digital, marine and historic technologies.

Players will be able to join Cara in the hunt and experience reality merging with storytelling as they search for the Pearl using only their mobile phones to help them.

Jaala is currently available for interviews.

To arrange an interview please call...
